Petition for Approval of Revised Drawings

Dear Sir:

Approval is requested for substitution of the accompanying Replacement Sheets for those originally filed with the application. The accompanying Replacement Sheets have been submitted in response to the Examiner's request for corrected drawings set forth in paragraph no. 1 of the initial Office Action received in connection with this pending application for patent. Details of the submission are as follows:

Applicant has amended Figure 1 to correct a misspelling in an instance of BSC/RNC 14. The incorrect instance was originally misspelled "BSS/RNC". Support for this amendment can be found, at least, in the second instance of BSC/RNC 14 and in the Specification, at least, at page 6, lines 2-6. Thus, no new matter was added.

Applicant has also amended Figure 3B in response to the Examiners objections under 37 C.F.R. 1.84(p)(4). Applicant has changed ACK SIGNAL 56 to read, "ACKNOWLEDGE RECEIPT." Support for this amendment is found in Figure 2B. Thus, no new matter was added.

Respectfully submitted,
